This plan of yours is not good for all of us. If you can heal all those children in Fallon Nevada by those three weeks you given us to respond then I will think about it. Up until then keep your radioactive waste where it was made. Do not ship in trucks that run from east coast to west leaking waste along the way. My husband was in the navy protecting our country why have you all remember city and our childrens health.

Enough is Enough leave it back there and make no more!!
